

Affinity Photo Tutorials

Here's the link to the official 'Affinity Photo' desktop video tutorials – 112 at the time of writing!

<https://affinity.serif.com/en-gb/tutorials/photo/desktop/>

They are split into the following categories:

Basics

Advanced

Corrective & Retouching

Creative Tools

Filters & Adjustments

Export Persona

Workflows & Techniques

Alternatively, the 'Affinity Revolution' site on 'YouTube' has many tutorials, from beginners onward - well worth a look.

Check them out here:
