

# DPG Membership Criteria

Welcome to the Digital Photography Group of the North Norfolk u3a.

From our Introduction Leaflet you will have seen our aims and ambitions and how you can take part, grow, learn, laugh and enjoy the fantastic and enthralling hobby we all share.

Check out our Viewing Platform, [dpg-vp.weebly.com](http://dpg-vp.weebly.com) where you can explore further, - everything we do is there!

Our members' range from absolute beginners to enthusiasts. We all learn from each other. What we **use** to take photos is not as important as **what** we take. Mobile phone, compact camera, bridge or sophisticated DSLR cameras are all used by our members. Our object is simple – how to learn from each other to enable us to improve what we do. We can only do that by taking part and taking more photos!

***To this end we have NO competitions and no judgments are made, - helpful advice is always available, but only if asked for!***

If you'd like to join us, you'll be made most welcome. You must be a registered member of the NNU3a and want to participate in our group's various activities, in whichever way you feel suits you best.

If we sound like your cup of tea, then we'd like to get to know a little about you too. To this end, please answer the few questions on the attached sheet and return them to our Treasurer, Tony Cummins as soon as you can. You will then receive all our communications direct to your In-Box.

**The Benefits:** You will be able to enjoy all the DPG activities – attend meetings, join photoshoots, have your pictures displayed on our Viewing Platform for all to see, not just DPG members, and your monthly favourite shown on the High Kelling Village Hall web site too.

**Your Responsibilities:** We are an active group and participation is key. If you don't feel you can take part, you won't learn from us, and we can't learn from you. So, we do hope you will contribute to the group's activities and stay in touch. We understand from time to time there may be circumstances when personal attendances are not always possible, but contact can be by e-mail or phone and contributions to our Viewing Platform's monthly subject or Randoms page are always possible. If we do not hear from you during any period of four consecutive months, your DPG membership will automatically lapse.
