

## Members' Randoms!

Until now, members' contributions to our Viewing Platform have been limited to either a concentrated personal 'portfolio' – of their own subject choice - or 6 pics on our pre-determined monthly subjects, with which members have no choice.

There are no further Member's Portfolios booked at present, but if any member wishes to have a portfolio published in the future, we will be happy to recreate it as needed.

Contributions to our "THIS MONTH" page are limited to 6 pics which are first shown and discussed at our meetings and this will continue.

We are now introducing a new VP page - "**Randoms**", which will first appear on the March edition, due around 20/21<sup>st</sup> March.

The idea is simple. If you're a registered DPG member, you can contribute up to 2 pics, or a video, on **ANY** subject – hence "**Randoms**".

Anything you've seen or experienced, recorded or set out to capture, - taken, or created in the previous 4 weeks and should be included with a short description or title. Limited to 2 pics per member per month, these will only be published on the VP and not shown at meetings.

You will be able to contribute to both the "THIS MONTH" and "**Randoms**" pages.

Remember, all contributions to the VP are welcome and included.

This means there is now no excuse NOT to contribute!

"**Randoms**" page summary:

- All registered members of the DPG can contribute.
- **ANY** subject of your choice.
- Up to 2 pics OR a link to 1 video, per month, all created by you.

- Members can contribute to both the "THIS MONTH" and "**Randoms**" pages.
